KAWASAKI Halloween

LOVE KAWASAKI

Kawasaki is so many things: An industrial city which has continuously supported Japan's manufacturing; A city with an abundance of music, arts, and sports; and A city that boasts a rich natural environment, including the Tama River and Ikuta Ryokuchi to name a few. It is these diverse facets of the city which make Kawasaki so appealing.

Kawasaki Station

Pansies of Nakahara Ward, one of Kawasaki's agricultural products
