Site map of the Nishimura Group's new distribution center. The map shows various buildings including cold storage (冷蔵棟), distribution (配送棟), and administrative (管理事務所棟) buildings. A red circle highlights the 'Management Office Building' (管理事務所棟), and a red arrow points from a 'Nursing Room' (授乳室) icon to it. The map also shows parking areas (駐車場), loading docks (荷役場), and other facilities. The map is oriented with North (北門) at the top and South (南門) at the bottom.

The image shows the exterior of the Kawasaki Central Wholesale Market North Building. The building is a large, modern structure with a sign that reads "川崎市中央卸売市場北部市場" (Kawasaki Central Wholesale Market North Building). A red arrow points to the entrance area, which is marked with a sign that says "野菜花水産" (Vegetables, Flowers, Seafood). The building has a white facade and large windows. There are trees and a paved area in front of the building. The sky is blue with some clouds.
