

がん検診等のお知らせ

川崎市では、川崎市民を対象にがんの早期発見を目的とした検診を行っており、対象者は比較的安い費用で受診できます。

会社の健康診断や40歳以上の特定健康診査とは別の制度で、年間を通じて実施しています。**会社による健診にがん検診(胃・肺・大腸・子宮・乳房の検査)が含まれていない場合や、被保険者のご家族でがん検診を受ける機会のない方はぜひ市のがん検診を利用してください。**

★受診券はありません。

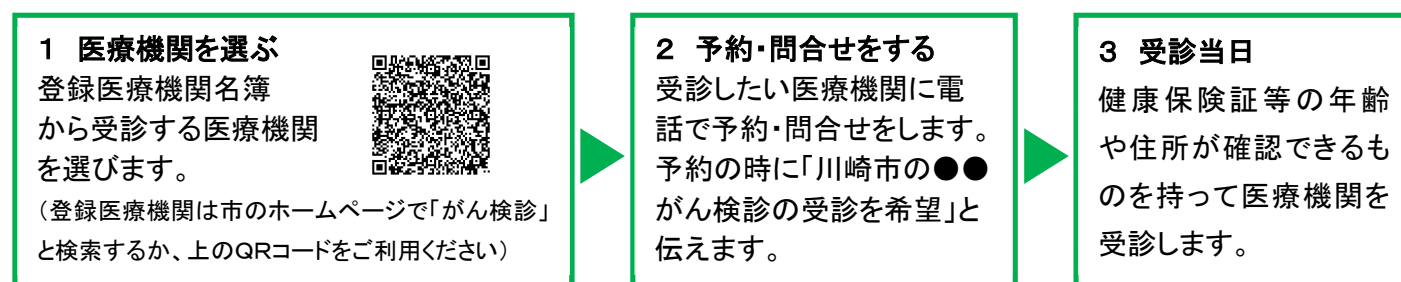

次のいずれかに該当する方は無料です。

①70歳以上の方(年度内に70歳となる方を含む)

②市・県民税非課税世帯の方、生活保護受給者の方、中国残留邦人等支援給付受給世帯の方

※受診時に証明書の提示が必要となります。

受診までの流れ

検診名	対象者	受診回数	内容	費用
●肺がん	40歳以上の市民	年度に1回 (胃がん胃部エックス線検査は、前年度に胃内視鏡検査を受診していない方)	問診、胸部エックス線検査 * かく痰検査は必要な場合のみ実施	900円 * かく痰検査+200円
●大腸がん			問診、免疫便潜血検査	700円
●胃がん			問診、胃部エックス線検査	2,500円
●胃がん	50歳以上の市民	2年度に1回 (前年度に受診していない方)	問診、胃内視鏡検査	3,000円
●子宮がん	20歳以上の女性市民	2年度に1回 (前年度に受診していない方)	問診、視診、内診、頸部の細胞診 * 子宮体部の細胞診は必要な場合のみ実施	1,000円 * 体部の細胞診+800円
●乳がん	40歳以上の女性市民		問診、マンモグラフィ検査	1,000円
●骨粗しょう症	満年齢40・45・50・55・60・65・70歳の女性市民 (受診日に満年齢であること)	満年齢時に1回	問診、骨量測定 (医療機関によって測定方法が異なります)	超音波法600円 MD法・SXA法・pQCT法等700円 DXA法による腰椎測定1,100円

※年齢は、年度内に対象年齢となる方を含みます。
※検診では、がんがあるのに見つけれない場合もあります。気になる症状がある場合には、早めに医療機関を受診してください。

Notification of Cancer Screening Tests, etc.

Kawasaki City conducts cancer screening tests for residents of Kawasaki City for the purpose of early detection of cancer, and eligible people can have a test at a relatively low cost.

This is a provision different from health checkups at companies or specific medical checkups for people aged 40 and over, and it is carried out throughout the year. **If the medical checkup at your company does not include a cancer screening test (the examination of stomach, lungs, large bowel, uterus and breast), or if you are a family member of the insured person and do not have an opportunity to undergo a cancer screening test, please be sure to take the cancer screening provided by the city.**

★ No health checkup tickets are issued.

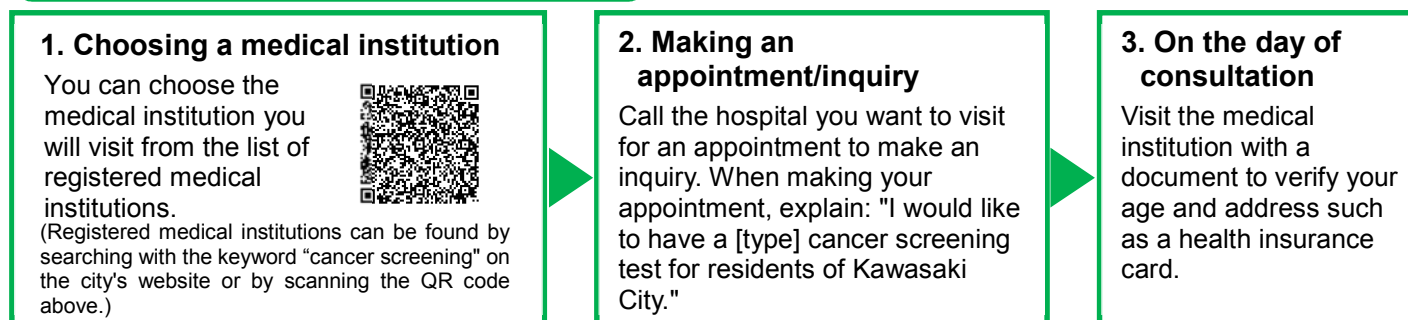

People who fall under any of the following descriptions have free usage of the test;

① People who are 70 years of age or older (including those who will be 70 years old within the current fiscal year)

② People belonging to a household exempted from municipal/prefectural inhabitant taxes, welfare recipients, and people belonging to a household receiving Assistance Benefits for Remaining Japanese in China, etc.

*You will be requested to show your certificate at your consultation.

Procedure for consultation
