

Regarding Kawasaki City's Childbirth and Childcare Support Scheme

Kawasaki City has launched the "Childbirth & Childcare Support Scheme" to help parents/caregivers give birth and raise children with peace of mind. Under this program, public health nurses and other professionals provide consultation services on pregnancy, childbirth, and childcare based on the content of questionnaires (Accompanying Consultation Support). In addition, cash subsidies starting at ¥50,000 will be provided after the submission of the pregnancy registration and after the birth of the baby to be used for the purchase of baby goods and childcare support services (financial support).

«Eligible Persons and Subsidy Amount»

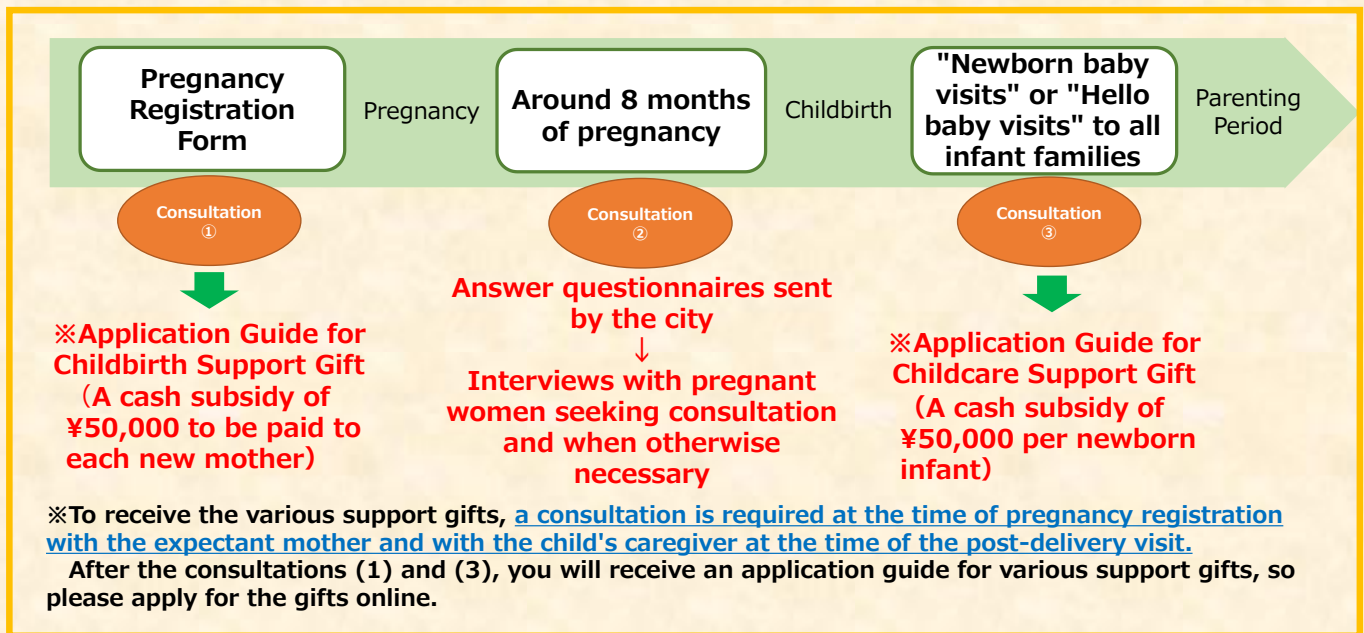

● Childbirth Support Gift

A sum of **¥50,000** will be paid to the pregnant individual, who has submitted a pregnancy registration form and undergone a consultation.

● Childcare Support Gift

¥50,000 per newborn baby will be paid to those who are the caregivers of the child and have completed the newborn baby visitation, etc. (In the case of multiple births, ¥50,000 x the number of newborn babies)
