**Health check sheet**

**1 bath towel (For preventing infection of diseases)**

※The dental checkup will also be conducted on the day, so please brush your

We hope your child is doing well. The age of 3-years is considered an important period in terms of body and mind development. During the Examination, you can also consult about your daily concerns regarding your child, so please be sure to bring your child for the examination,

**(Attention)**

If your child has not attended the Health Examination on the above date, the staff of HSWC will contact you either by phone or home-visit, regarding the future health examination to be taken. If you will not be able to bring your child to the above Examination, please inform the absence to the Health and Social Welfare Center, Kawasaki Ward Office Tel: 201-3214

**\*Note:** \* Please do not come by car, as there is no parking space.

\* Medical Interview Sheet has special number. If you lose it, please call HSWC.

\* Write Medical Interview Sheet with black ball-point pen.

\* If you or your child is in bad condition, please call HSWC and change the Health Checkup date.

\* Please feel free to call HSWC if you have something to ask.

\* If you use the cycle parking lot of Kawasaki Ward Office, please bring the parking ticket to the Checkup place.( Be careful that the cycle parking lot under the pedestrian bridge and in front of the supermarket AOBA are not ours. It cost you all.)

\* You can't bring stroller to the Checkup place as a rule. We have the stroller space in the checkup place, but we don't have any responsibility to be lost.

\* Your child will have checking on the height and weight. If your child use a diaper, please bring new one for exchange.

\* Refrain from eating and drinking in the Checkup place.
