**Would you like to understand school procedures better, open a bank account,
or what to do when visiting a hospital in Japan?**

(Interpretation available: Chinese, Vietnamese, Filipino)

Navigating daily life in Japan using Japanese can be challenging, especially when it comes to paperwork and formal procedures.

That's why we're inviting staff and specialists from various institutions to join this event.

They will provide clear, easy-to-understand consultations and help answer your questions about essential paperwork and daily procedures.
